WORDS:

Environment	
Coast	The scramble for Africa
Congo	1884
Nile	1885
France	1886
Italy	1873
Helioland	Arabs on the coast
The Sultan of Zanzibar	Markets
Delimitation treaty	Settlers.
USA	
Effective occupation	
Hitler	
De Gaulle	
Bismarck	

5. Each of the following paragraphs is supposed to have four sentences which form a complete historical meaning. One of the sentences is missing. Identify the missing sentence from the sentences below each paragraph labelled A to E. Write the letter of the missing sentence in the answer booklet.

Example:

- (i) 1. The prosperity and growth of Kilwa greatly depended on the trade from Zimbabwe.
2. The middlemen traders in Kilwa bought the gold from Zimbabwe and exported it to Asia with Sofala in Mozambique serving as a transit port.
3. The middlemen therefore accumulated a lot of wealth.
4. _____

- A. The wealth enabled the middlemen to construct huge stone buildings.
B. This wealth made Kilwa very prosperous between the 11th and 15th centuries.
C. The wealth created a lot of quarrels among traders.
D. The wealth enabled inhabitants of Kilwa to travel far.
E. There were some rich African middlemen in Kilwa.

Answer (i) _____ B

- (ii) 1. Slave trade in Africa was stimulated by the external economic forces to meet the demands of West European capitalism.
2. In both West and East Africa the activities of capturing and selling slaves involved African chiefs, Arab and Swahili traders.
3. However in the 19th century slave trade was abolished.
4. _____

- A. Both Christians and Muslims came to see slave trade as Barbaric and morally evil.
B. Enough slaves in the Caribbean Islands' plantations made no need to enslave more slaves.
C. Due to massive shipment of slaves, the African continent as a source of slaves had become dried up.

- D. Development of industrial capitalism in Western Europe in the 19th century made slave trade unuseful.
- E. Humanitarians in Europe like William Wilberforce and others took up arms and waged campaigns and wars to have slave trade abolished.
- (iii) 1. In Tanzania and Kenya there were massive peasant resistances. 2. These were to a large extent class struggles opposed to colonialism.
3. These resistances were caused by crude colonial exploitation and oppression.
- A. These were Nandi resistances of 1890s and Mkwawa resistance of 1890s.
- B. These were tribal wars of Mirambo of the Nyamwezi and Luo resistance in Kenya.
- C. These were Maji-Maji war of 1905-1907 and Mau Mau war of 1952.
- D. These involved the Kalenjin group of people of Kenya and Abushiri of Pangani.
- E. These were the Yao under chief Machemba and the Kamba of Kenya.
- (iv) 1. Colonial economy in East Africa involved three systems of agriculture which are settler, peasant and plantation.
2. Peasant cash crop system formed the backbone of the colonial production in Uganda.
3. There is one reason that the introduction of peasant economy in Uganda was due to four of the peasant resistances.
4. A. Secondly, peasant economy was introduced so as to make peasants become rich and develop fast.
- B. Secondly, the Baganda were lazy hence they had to be forced to produce cash crops.
- C. Secondly, Uganda was a landlocked country unfit for white settlers.
- D. Secondly, peasants were running away from the plantations which were started in Uganda.
- E. Secondly, peasants met their own subsistence needs as such they produced cash crops more cheaply.

1. Colonial rule was not easily established in East Africa.
2. Majority of East African societies stood up and put strong resistances against the colonial rule.
- 3.
4. In most parts of East Africa such resistances delayed the establishment of colonial rule.
 - A. Such resistances finally made East African countries regain their independence.
 - B. The Nandi resistance against British occupation of Kenya and the Kabarega resistance against British occupation of Uganda are good examples.
 - C. MAU-MAU war in Kenya was a climax of Africans' resistances against colonial conquest.
 - D. African resistances in the final analysis made Europeans run away from East Africa.
 - E. The best example of such resistances is the Maji Maji war in Tanganyika.

- (vii)
1. One of the contributions made by Seyyed Said in Zanzibar was the introduction and development of clove industry.
 2. This made Zanzibar rich and a commercial centre of East Africa.
 3. Clove plantation economy involved alienation of land and use of massive labour force.
 - 4.

- A. As a result many of the Zanzibaris were alienated from their land and came to settle in Tanzania mainland.
- B. Clove plantation economy finally led to expansion of slave trade in East Africa.
- C. Introduction of clove plantation economy resulted into speeding up the process of abolition of slave trade.
- D. Introduction of cloves in Zanzibar resulted into signing of the Hamerton Treaty with the Sultan of Zanzibar to speed up clove and Ivory trade.
- E. Cloves in Zanzibar made the Yao, Nyamwezi and Kamba to visit Zanzibar frequently to buy cloves.

6. In form of short statements (a) - (e) list down 5 (five) effects caused by the discovery of minerals in South Africa.

SECTION B (60 Marks)

PART I

Answer any Two questions.

7. Show the economic and social effects to Kenya of the construction of Uganda Railway line.
8. What methods did the Germans use in the conquest and occupation of Tanganyika?
