- (b) Internal Control
- (c) Audit report
- (d) Internal check
- (e) Audit Note Book.

2. Baraka, Hussein and Obama were in partnership sharing profits and losses in the ratio of 5:3:2 respectively. A summary of the firm's balance sheet as on 30th September, 2008 was as follows:-

BALANCE SHEET AS ON 30TH SEPTEMBER 2008

		Sh.			Sh.
Capitals:			Non-Current Assets:		
Baraka	900,000		Freehold Land and Buildings		600,000
Husein	420,000		Plant and Machinery		240,000
Obama	<u>300,000</u>	1,620,000	Motor vehicles		96,000
Current Liabilities:			Current Assets:		
Baraka Loan a/c		180,000	Stock on hand		408,000
Sundry creditors		<u>300,000</u>	Sundry debtors	438,000	
			Less: Prov. for d/debts	<u>24,000</u>	414,000
			Cash at bank		<u>342,000</u>
		<u>2,100,000</u>			<u>2,100,000</u>

On 30th September, 2008, Baraka retired from the firm. Hussein and Obama decided to continue in partnership sharing profits and losses as to Hussein three fifths and Obama two fifths. The partners agreed that, both as regards the dissolution and the continuing partnership, adjustments should be made in the September, 2008 balance sheet as follows:-

- (a) The value of freehold land and building should be put at sh. 750,000, plant and machinery at sh. 216,000.
- (b) A reduction of sh. 30,000 should be made from the stock in respect to old and unsaleable items.
- (c) An increase of sh. 7,200 should be made in the provision for doubtful debts.
- (d) An amount of sh. 18,000 included in sundry creditors as a provision in respect to an alleged infringement of a patent is no longer needed.

It was also agreed that one of the firm's motor vehicles should be taken by Baraka at its book value of sh. 39,000 and that he should also take items of machinery and plant at the amount of sh. 66,000 in the above mentioned adjusted valuation for such items.

According to the provisions of the partnership agreement, the full value of goodwill on 30th September, 2008 was agreed at sh. 1,128,000. Certain customers being retained by Baraka, it was agreed that he should purchase a proportion of the goodwill paying there for sh. 288,000.

Hussein and Obama decided that goodwill should not be brought into the books of the new firm as an asset. Since the continuing partners were unable to pay the amount to Baraka immediately, he agreed to allow such amount to remain on loan account.

You are required to prepare:

- Revaluation account.
- The partner's capital accounts in columnar form.
- The opening balance sheet of the new firm.

3. Wazalendo Company Ltd offered 25000 ordinary shares of sh. 0.5 each for public subscriptions as follows:

- Sh. 0.10 on application
- Sh. 0.25 on allotment to include share premium
- Sh. 0.15 on first call and
- Sh. 0.15 on second and final call.

Applications were received for 35000 shares. The directors rejected 5000 applications outright and issued five shares for every six applied for, by the remaining applicants. The surplus applications money received from rejected applicants was immediately refunded and the portion received from other applicants was transferred to an allotment money account. All shareholders duly paid the allotment fee and first call but one of them who held 400 shares failed to pay the second call. His shares were declared forfeited and were re-issued at sh. 0.25 each.

You are required to prepare:

- Journal entries to record above transactions.
- Ordinary share capital account.
