Answer **five (5)** questions. Question **one (1)** is compulsory.

1. One of the obstacles of African development is the education systems inherited from the colonialists. In six points, show the strategies which were adopted by Tanzanian government to overcome this problem after independence.
2. Examine six factors which contributed to the emergence and development of strong centralized feudal states in the interlacustrine region before colonialism.
3. In six points, show how slave trade contributed to the rise of the gap in development between Africa and Europe during Merchant Capitalism.
4. Appraise the role played by the colonial state in Kenya in the establishment of settler agricultural production.
5. In six points, show how colonial social services were used to maintain colonialism in Africa.
6. How economic exploitation was intensified in the colonies during and after the Second World War? Explain by giving six points.
7. Examine three economic effects of the Second World War in the European economy and in three points, explain why Europeans' possession of African colonies was vulnerable after the war.
