2. Match the items in **Column A** with the responses in **Column B** by writing the letter of the correct response beside the item number in the answer booklet provided.

Column A	Column B
(i) It is the main book of accounts.	A General ledger
(ii) It contains debtors' accounts.	B Sales journal
(iii) It contains creditors' accounts.	C Purchases returns journal
(iv) It contains the real and nominal accounts.	D Purchases ledger
(v) It contains cash and bank accounts.	E Cash payments journal
(vi) It contains capital and drawings accounts.	F Purchases journal
(vii) It is used to record credit sales.	G Sales ledger
(viii) It is used to record credit purchases.	H General journal
(ix) It is used to record the payment of small amounts of money by a business.	I Sales returns journal
(x) It is used to record business transactions that are not journalised in any of the other journals.	J Ledger
	K Journals
	L Private ledger
	M Cash receipts journal
	N Petty cash book
	O Cash book

SECTION B (20 Marks)
Answer **all** questions in this section.

3. (a) State five advantages of self-balancing ledgers and control accounts.
(b) Briefly explain five benefits of using Petty Cash System.
4. (a) The following information was extracted from the books of Rhombo Traders for the year ending 31st December, 2017.

	TZS
Purchases	2,000,000
Stock (1 st Jan. 2017)	150,000
Stock (31 st Dec. 2017)	300,000
Sales	2,500,000
Expenses	200,000
Rent received	100,000
Warehouse wages	80,000
Carriage inwards	50,000

Using the information provided, calculate:

- (i) The value of goods available for sale.
(ii) The gross profit for the year.
(iii) The net profit for the year.
(iv) Rate of stock turnover.
(v) Percentage of expenses over sales.
- (b) show how the following transactions should be recorded in the ledger accounts by writing the name of the account to be debited and credited for each transaction:

Transaction	Account to be debited	Account to be credited
(i) Started business putting cash into a business bank account.		
(ii) bzought machinery on credit from Unique Machines Traders.		
(iii) Withdrew cash from the bank and placed it in the cash box.		
(iv) Bought a second hand motor van paying in cash.		
(v) Sold some of the machinery on credit to B. Brothers		

SECTION C (60 Marks)
Answer **all** questions in this section.

5. The trial balance extracted from the books of Maji Meupe on 31st December, 2017 showed debit totals of TZS 491,400 and credit totals of TZS 440,400. The trading profit and loss account drawn up on the basis of this trial balance revealed a gross profit of TZS 143,000 and a net profit of TZS 36,000. A careful re-examination of his books revealed the following errors:
- (i) Sales day book was overcast by TZS 10,000.
 - (ii) Goods costing TZS 8,000 had been taken by Maji Meupe for his personal use. No record was made of this fact.
 - (iii) Cash discount amounting to TZS 6,000 allowed by a creditor was debited to discount allowed account.
 - (iv) A payment of TZS 5,000 for carriage on sales was debited to carriage inwards account.
 - (v) A balance of TZS 1,000 in the personal account of M. Migire, a debtor, was not included in the list of total debtors on the trial balance.
 - (vi) During the year Maji Meupe sold his private farm for TZS 50,000 and paid in the proceeds to the firm's bank account. This fact was only recorded in the cash book.
 - (vii) A new warehouse was built at a total cost of TZS 50,000, including materials costing TZS 35,000 and labour TZS 15,000. Materials used were journalised through purchases book and the wages paid were debited to ordinary wages account.
 - (viii) No record has been made for goods valued at TZS 14,000 taken by the proprietor, Maji Meupe for his personal use.
 - (ix) Goods costing TZS 25,000 purchased from Azam had been credited to Azania's personal account.

Using the information provided, prepare:

- (a) Journal entries to correct the errors.
 - (b) The corrected gross and net profit figures.
 - (c) Suspense account.
6. Essau, Chuwa and Linus are in partnership sharing profits and losses in the ratio of 3:2:1 respectively. The following is a trial balance of the partnership as at 31st December, 2017.

Details	Dr. TZS	Cr. TZS
Capital accounts:		
Esau		360,000
Chuwa		240,000
Linus		120,000
Current Accounts:		
Esau		14,000
Chuwa	10,000	
Linus		6,000
Bank balance	50,000	
Debtors	460,000	
Bad debts provision 1 st January, 2017		20,000

Creditors		700,000
Provision for Depreciation 1 st January, 2017		
Land and buildings		240,000
Motor vehicles		160,000
Drawings:		
Esau	80,000	
Chuwa	60,000	
Linus	60,000	
Land and building at cost	1,20,000	
Motor vehicle at cost	400,000	
Office expenses	80,000	
Purchases	1,700,000	
Rates	80,000	
Sales		3,000,000
Selling expenses	280,000	
Stock on 1 st January, 2017	400,000	
	4,860,000	4,860,000

The following information was also provided:

- (i) Stock at 31st December, 2017 TZS 600,000.
- (ii) Non-current assets are written off at the following rates: Land and buildings at 5% per annum on cost and Motor vehicle at 20% per annum on cost.
- (iii) Rates prepaid at 31st December, 2017 TZS 40,000.
- (iv) Bad debts amounting to TZS 10,000 were written off and bad debts provision to be adjusted to 5% of the outstanding debtors at 31st December, 2017
- (v) At 31st December, 2017 TZS 35,500 was outstanding in respect of selling expenses.
- (vi) According to the partnership agreement:
Linus is to get a salary of TZS 120,000 per annum. Interest of 10% per annum is to be allowed on the partner's capital accounts. No interest is to be allowed on partner's current accounts and no interest is to be charged on partners drawings.

Using the information provided, prepare:

- (a) Partners Trading, Profit and Loss Appropriation Accounts for the year ending 31st December, 2017
- (b) Partners' Current Accounts for the year ending 31st December, 2017 and bring down the balances at 1st January, 2018.

7. Manyama Bwire keeps his books on a single entry system.

	31.12.2016	31.12.2017
	TZS	TZS
Club furniture	100,000	120,000
Stock	60,000	20,000
Debtors	120,000	140,000
Prepaid expenses		40,000
Creditors	40,000	?
Outstanding expenses	12,000	20,000
Cash	22,000	6,000

Receipts and payments during the year were as follows:

Receipts from debtors	420,000
Payment to customers	200,000
Carriage inwards	40,000
Drawings	120,000
Sundry expenses	140,000
Furniture purchased	20,000

Other information:

There was a considerable amount of cash sales. Credit purchases during the year amounted to TZS 230,000. Provide for doubtful debts to the extent of 10% on debtors.

From the information provided, prepare:

- Trading, Profit and Loss Accounts for the year ending 31st December, 2017.
- Total Debtors and creditors Control accounts as well as Cash account.
- Balance sheet as on 31st December, 2017.
