- B. Implements all the decisions reached by the legislature
- C. Assents or disapproves parliamentary bills
- D. Can declare a state of emergency

- A. Hear civil and criminal cases
- B. Issue directives to district courts
- C. Formulate and execute policies
- D. Dissolve the parliament

Answer: C. Formulate and execute policies

Reason: The executive branch is responsible for formulating and implementing policies. A refers to the judiciary, B is not a function of the executive, and D is a power of the President but not a direct function of the executive.

iii. The following are the symbols of national sovereignty except:

- A. National flag
- B. National currency
- C. Coat of arms
- D. Public holidays

Answer: D. Public holidays

iv. The main components of a nation are:

- A. 5 components
- B. 9 components
- C. 7 components
- D. 10 components

Answer: C. 7 components

v. Which one of the following is an aspect of effective decision-making skills?

- A. Schools
- B. Neighbors

- A. Enact strict laws
