**STANDARD TWO NATIONAL ASSESSMENT 2024**  
**WRITING SKILLS- DICTATION**

---

**Instructions to the Assessor**

**Read the instructions carefully before reading the dictation sentences to the pupils:-**

1. Read the sentences **loudly** and **carefully**.
2. Tell pupils that you will read each sentences **three times**. Therefore they should listen carefully.
3. Tell the students that in the **first round** that you will read each sentences while they listen.  
In the **second round** you will read the sentences and they should start writing. In the **third round** you will read the sentences for the pupils to make corrections where necessary.
4. Read each sentences in the first round. You should pause after reading the sentence for the second time and then read it for the last time so that the pupils can make corrections where necessary.
5. The time which will be taken for the supervisor to read each sentences and the pupil to write will be three **(03) minutes**. This part will be in **fifteen (15) minutes**.
