SECTION A: (20 Marks)

COMPREHENSION

Answer ALL questions in this section

1. Read the following passage and answer the questions below.

Kazimoto was living in a small village. It was a nice village but he wants to live in town. There are many places to go in town. Kazimoto likes going to school by bus. He does not like walking. His sister, Naima lives in town too. Kazimoto and his sister like going together everywhere. Every day they eat rice and beans for lunch. Kazimoto does not like soda because it is fizzy. He prefers juice. After school he and his friends Karama and Salumu go to fish and swim in the river. Karama likes fishing but salumu not. While Salumu is swimming, Karama and Kazimoto are catching fish. After catching fish they join Salumu on swimming. Kazimoto does not like diving because the water goes up his nose. At school Kazimoto likes to study science very much. He wants to be a doctor when he grows up. Naima wants to be a teacher.
