Read the following passage and answer the questions below.

For hundred years, Zanzibar has been known for its spices. Zanzibar is often called the spices Island. Many tourists from Kenya, Uganda and other countries from the world come to Zanzibar to visit spices farms where they can see and buy spices.

I took a spice tour to learn more about spices. My tour guide told me that spices from Zanzibar are sent all over the world. The guide showed me how the spices grow. He let me feel and smell cloves, nutmeg, and cinnamon. Spices make Zanzibar's food tastes and smells delicious. My guide told me that spices are also used for medicine.
